Workshops and Tutorials

The European Conferences on Information Systems (ECIS) traditionally hosts a number of workshops on different topics related to Information Systems. These workshops are well attended and provides the IS community interested in particular areas with opportunities to meet and exchange ideas.

For specific information about submission instructions and details about any particular workshop / tutorial please use the contact details as described in the individual workshop / tutorial documents.

All ECIS 2018 workshops and tutorials will be held on Monday 25th June at the same place as the main conference venue.

Workshop and Tutorial Chairs:

Amany Elbanna, Royal Holloway, UK

Tania Di Mascio, University of L'Aquila, Italy

Tammi Sinha, Winchester University, UK

Contact for main WT Chairs: w chairs@ecis2018.eu
